Early Pregnancy Service - Clinical Midwife

- The Early Pregnancy Service is a midwife-led clinic which offers individualised care for women experiencing pain or bleeding under 20 weeks gestation
- The Early Pregnancy Midwife coordinates your emotional and physical care, including pathology follow-up and ultrasonography, and offers ongoing personal connection for your concerns
- Care is provided by a holistic multidisciplinary team, and is based on respect, dignity and compassion, providing emotional support and practical guidance.

Referrals can be by yourself, your GP, the Antenatal Clinic, Emergency Department, or the Obstetric Medical Team

Contact Simone

Phone: 07 3810 1978

Hours: Monday to Friday 8.30am-5pm

Address: Level 6, Ipswich Hospital, near the Main Entrance & Ward 6D

Email: eps_ipswich@health.qld.gov.au
