

Consumer feedback data 2019-20

West Moreton Health is committed to listening and responding to consumer feedback. Complaints and compliments are a valuable opportunity for us to identify what we are doing well and where we could be doing things better.

Complaint data 2019-20

In the 2019-2020 financial year, West Moreton Health received 2023 customer complaints. Of those:

- 53 resulted in follow-up or further action
- 1970 required no further action*

* Further action refers to complaints that were accepted and resulted in remedial or improvement action, including patient safety investigation, process change and staff training. No further action refers to complaints that were accepted and resolved locally, including by way of apology, clinical review and provision of explanation and/or additional information.

Compliment data 2019-20

In the 2019-2020 financial year, West Moreton Health received 405 customer compliments.
