

COVID-19 VACCINE

Queensland rollout Phase 1a

Queensland's strategy is guided by the Australian national strategy.

Our aim is to:

- Protect Queenslanders by containing COVID-19 at our international borders
- Protect and maintain a robust health system and protect staff
- Protect vulnerable Queenslanders
- Give every eligible Queenslanders the opportunity to be fully vaccinated against COVID-19 as soon as possible
- Rapidly respond to outbreaks of COVID-19
- Boost the Queensland economy

Every hospital and health service in Queensland will be providing vaccinations in Phase 1a

The rollout will begin with the Pfizer vaccine at the following locations:

- Gold Coast University Hospital
- Princess Alexandra Hospital
- Royal Brisbane and Women's Hospital
- Sunshine Coast University Hospital
- Townsville University Hospital
- Cairns Hospital

Priority quarantine and border workers

- Staff who work in quarantine facilities including workers who deliver health services, personal services, security services, all front and back of house hotel and cleaning services, and passenger transport services
- Staff who work in air and sea border security including relevant Australian Federal Police and Queensland Police Service staff
- Queensland residents working in international air crew
- Marine pilots

Priority frontline health care workers

- Staff providing direct clinical care to COVID-19 positive individuals
- Staff who work in COVID-19/ Infectious Disease Wards
- Staff who work in Emergency Departments
- Staff who work in Intensive Care Units
- Staff who work as Queensland Ambulance Service frontline responders
- Staff who work in Fever and Respiratory Clinics
- Staff who work in public and private (international) aeromedical retrieval teams
- Pathology staff, medical researchers and scientists working with SARS-CoV-2
